NOTE 1: Effective January 1, 2020, Terminal handling will be quoted and performed by Loading and Unloading Operators licensed by the Port of Beaumont. The listing of licensed L/ UL Operators may be found by visiting portofbeaumont.com

NOTE 2: Vessel charges for this shipment, including dockage, shed/wharf hire, utilities, etc. shall be confirmed on the separate Request for Berth form and will be charged to the vessel agent, unless otherwise noted in comments. If you believe that any of the above listed rates and charges are incorrect, please notify the Port of Beaumont as soon as possible so we may clarify any terms and conditions related to the shipment of this cargo. Failure to notify the Port of any dispute with the above rates and charges within 72-hours of receipt of this confirmation shall designate concurrence with these rates and charges. All parties to this transaction will receive a copy of this Cargo Booking Confirmation form, **Rates Included herein are expressed in U.S. dollars per short ton of 2,000 lbs. unless otherwise specified.**
